Welcome to the MADVoters Ballot Buddy! To use this resource, follow these steps:

1. Identify the candidates on your ballot. Go to [IndianaVoters.com](https://www.IndianaVoters.com), and scroll to "Who's on the Ballot."
2. Enter your name, date of birth, and county of voter registration, then click "Submit."
3. Select "Who is On My Ballot?" to display a dropdown of all available candidates.
4. You may select the party of your choice to display only the candidates of that partisan affiliation if you wish. Remember, at the primary election, you must select a party. You will not select a party at the General Election in November.
5. Make note of the names of the candidates, then view each race on the MADVoters' Ballot Buddy by scrolling through this document.

Our Scoring Methodology:

Candidates are evaluated on a 5-point scale based on their support for MADVoters Values. Results are calculated based on candidate's voting record (if applicable), survey responses (if applicable), and published platform. The score breakdown is shown next to the total score. A "✓" indicates the candidate completely or mostly supports this area of focus. "✗" means the candidate showed a lack of support for this issue. A "?" indicates not enough information to evaluate their position on this particular issue.

Candidates who have received MVP (MADVoters Verified Politician) status have requested and received public verification from MADVoters. They are marked in blue on the Ballot Buddy. Our MVPs are selected based on their alignment with MADVoters Values.
